Consultancy and fees

Funk Hospital-Versicherungsmakler GmbH offers consultancy services in accordance with legal requirements in relation to the brokerage of insurance products and receives payment in the form of commission from the insurance company in the event of an insurance contract being brokered successfully. This commission is therefore not paid separately by the customer to Funk Hospital-Versicherungsmakler GmbH, but is already included in the insurance premium. This notwithstanding, insurance contracts may be brokered with a netted (i.e. commission-free) premium on the basis of an express agreement to this effect. Contrary to standard practice, Funk Hospital-Versicherungsmakler GmbH will not receive commission from the insurer for these contracts, but rather a brokerage and service fee from the customer. A combination of these payment models may apply. Funk Hospital-Versicherungsmakler GmbH does not receive any other form of payment for its services.
